

Asha Insights: Spring (Q1) 2015

Asha Zurich is a chapter of Asha for Education, a world- wide organization that works dedicatedly to catalyze socio-economic change through the education of underprivileged children in India.

We have no paid staff, no office rent and hence very low overheads, typically covered through contributions from volunteers. This is a key factor that distinguishes us from many other organizations. In 2015, Asha Zurich is sending more than 1,200 underprivileged children to school in five projects with an annual budget of more than CHF 50,000.

Fundraisers in Q1

Zurich Marathon 2015

On 19. April, Team Asha ran in Zurich Marathon for the 4th time. This year we had three Full Marathon Runners, 36 Team Runners and two City Runner. We appeal to all our donors to acknowledge their effort by donating to Asha through their online profiles, available on www.asha-zurich.ch/marathon/. We are very close to our fundraising target of CHF 25,000.

Chat with Chaat

On 11. April, our partner Chat with Chaat hosted an Indian Street Food Café at GZ Oerlikon. Part of the profit benefitted the marathon fundraiser.

Dhoom Machale II

On 27. February, Asha Zurich organized its flagship Bollywood party Dhoom Machale for the second time. This time it was in collaboration with another Zurich-based non-profit organization called Crowdguard (www.crowdguard.org). The event started with a short presentation on Asha and Crowdguard, followed by a Bollywood dance workshop by Nachle Dance Company. Subsequently, the floor was taken over by DJ Indro who entertained the guests on the dance floor with his creative Bollywood mixes. The event was attended by around 300 guests and generated a total revenue of around CHF 5,300, thanks in part to the generous sponsorship from Lycamobile.

Project updates

In 2015 Asha Zurich is supporting five projects. All project budgets were approved and the yearly-renewable memorandum of understanding (MoU) is in the process of being signed. Following are updates from specific projects:

Palas Schools

Asha Zurich's oldest project (since 2005), Palas schools run by Vishwamandal Sevashram are supporting non-formal education of 678 children from the Bhil tribe in Dhule district of Maharashtra. 40% of the students are girls. A budget of around CHF 19,000 was approved by Asha Zurich for 2015.

Save Children Save Society (SACSAS)

Asha Zurich is supporting three SACSAS schools this year at New Dampi, Wangoo and Loilamkot village of the north-eastern state of Manipur with a total budget of

around CHF 21,000, benefitting around 260 students. Some of the students will also get scholarships. In addition to that, we have successfully handed over two other SACSAS schools to Asha Redlands, California.

Lok Biradari Prkalp

Located in the remote village of Hemalkasa near the Maharashtra-Chhatishgarh border, Lok Biradari Prakalp offers residential education to 650 children of Madia and Gond tribes. Asha Zurich is sponsoring 100 children with an annual budget of around CHF 16,000. Recently a new library and a computer center have been set up for the students. 40 students appeared for the high school board examination in 2014, and 20 of them secured more than 60% marks.

Boys Town Society

This is one of the new projects for 2015. Asha Zurich is supporting the Francois Meyer nursery school for 120 children run by Boys Town Society at Tirumangalam village, Tamil Nadu with an annual budget of around CHF 11,000. They have also laid the foundation for a new school building recently.

Ved Vignan Maha Vidyapeeth

The second new project of Asha Zurich in Vadakkur village, Tamil Nadu will start its first school session from June 2015. As per the recent site visit report, more than 80% of the construction work has been completed. We will be supporting the cost of education of 30 students for an amount of about CHF 5,000.
